Harvest Festival

Event Summary

Our Harvest Festival is a free annual event that promotes food education in a fun and practical way.

Through hands-on, kid-friendly activities, like a kids farmers market, crafts, and cooking demos, kids and parents learned about the resources available at our new cooking school and farm.

Impact Summary

**650 kids and
parents attended**

**860 lbs of produce
distributed to students**

**Community partners
provided free resources
to kids and families**

**Hosted healthy cooking
demonstrations using our
veggie-forward STEM recipes**
